Membership Benefits

- Ability to **share knowledge** and experiences with like-minded people and to learn through interactions at events and forums;
- The opportunity to establish and nurture relevant and **valued relationships**;
- Access to **research databases** & libraries (as they become available);
- **Recognition** of being a member of the Society, and
- Perhaps most importantly, the opportunity to **'make a difference'** by being engaged and involved in one of the many initiatives being planned by the Society.
